
[Conference on Licensing, Transfer of Ownership and Dispute Resolution - Commercialization of Intellectual Property Generated in International R&D Projects](#)

Date:

Friday, 01.06.2012

Location:

Vienna, Austria

Host:

WIPO - FFG - LES

The WIPO Arbitration and Mediation Centre, the Austrian Research Promotion Agency (FFG) and the Licensing Executives Society (LES), supported by the Simplified FP7 Model Agreement (DESCA), organise a greatly interesting workshop with the aim to bring together speakers from the industry, universities, research organizations and technology transfer offices to present their extensive experience at the frontline of IP licensing, technology transfer, and dispute resolution. The workshop intends to integrate perspectives and provoke discussion on these interrelated fields, with an outlook on the next European Union Framework Program for Research and Innovation (Horizon 2020).
