
[IP management in Horizon 2020: project implementation and conclusion](#)

You have succeeded in the evaluation of your Horizon 2020 project proposal and finally signed the grant agreement, as well as the consortium agreement. It is now time to start implementing the project for which you will receive funding from the EU.

Hence, in terms of intellectual property, the implementation stage assumes particular importance as the exploitation and dissemination of project results is a key objective of Horizon 2020 projects. This final fact sheet of our Horizon 2020 series therefore highlights the steps you need to follow to pave the way for the exploitation and dissemination of the intellectual property generated during the implementation of your project.
