## [WIPO publishes the PCT Yearly Review 2010](#)

The World Intellectual Property Organization (WIPO) published the "*International Patent System Yearly Review*", with data concerning the developments and performances of 2010. According to WIPO's analysis, in 2010 there was a recovery in the number of PCT application filings, with Asia overtaking Europe as the biggest PCT filing region. More detailed data concerning the countries of origin of applicants and their field of technology is available in this publication.
