Newport, United Kingdom and online

Host:

The United Kingdom Intellectual Property Office (UK IPO)

The United Kingdom Intellectual Property Office (UK IPO) is organising a series of classroom-based courses aimed at anyone wanting to develop his knowledge and skills on intellectual property.

The courses will provide a detailed understanding of all aspects of intellectual property (IP) along with practical skills to identify the most relevant and cost-effective route to protect IP and to create the most value from the intangible assets portfolios.

The available dates are:

- 13 to 15 September 2016
- 4 to 6 October 2016

The courses are also available online.

The course costs £250 plus VAT, or £200 plus VAT for the online version.

Further information along with the booking form is available [here](#).
