
[EUIPO Guidelines Available in 23 Official EU Languages](#)

The guidelines of the European Union Intellectual Property Office (EUIPO), which were adopted by the Executive Director on 12 December 2019 ([Decision No EX-19-4](#)) and have been in force since 1 February 2020, are now available in 23 official languages of the European Union. They can be consulted online [here](#).

The guidelines were previously only available in the five working languages of the EUIPO (English, French, German, Italian and Spanish). The following languages have now been added: Bulgarian, Croatian, Czech, Danish, Dutch, Estonian, Finnish, Greek, Hungarian, Latvian, Lithuanian, Maltese, Polish, Portuguese, Romanian, Slovak, Slovene and Swedish.

A novelty is that the 'compare' functionality, which can be activated by switching on 'Show modifications' in the top left-hand corner of the web page, is now also available in 23 official EU languages. This enables the user to quickly view any changes compared to previous editions.
